FRANKLIN GARDENS
1957 SUPPLEMENT
To be used with the 1956 catalogue of Franklin Gardens
Please read Terms of Sale on page 2

We are happy that one of the three Table Iris Test Gardens in the U.S.A. is located at Franklin Gardens with elevations of 3369 and 3763 feet. We have on display, not only the Table Iris listed in our 1956 catalogue and 1957 supplement, but also seedlings, guest iris and small old diploids.

If you or your friends have any seedling or iris you would like entered in the Test Garden, send them, there is no charge.

If you are searching for a variety not listed, write us.
